**TITLE OF AGENDA ITEM:** A RESOLUTION OF THE TOWN OF DAVIE, FLORIDA, APPROVING THE TEN (10) YEAR WATER FACILITIES SUPPLY WORK PLAN

**REPORT IN BRIEF:** The Utilities Director requests that the Town Council approve the Town's Ten (10) Year Water Supply Facilities Work Plan (Work Plan).

The purpose of the Town's Work Plan is to identify and plan for the water supply sources and facilities needed to serve existing and new development within the Town's jurisdiction. Chapter 163, Part II, F.S. requires local governments to prepare and adopt Work Plans into their Comprehensive Plans after the water management district approves a regional water supply plan. The updated Lower East Coast Supply Plan was approved by the South Florida Water Management District (SFWMD); therefore, the Town, which is within the Lower East Coast jurisdiction, must amend the comprehensive plan by adopting a Work Plan.

A copy of the Town's Ten Year Water Supply Facilities Work Plan is available for review in the Town Clerk's office.
